

Tillman 53 MIG Glove

The most versatile & comfortable
MIG glove you'll ever need.

Features

- Made from Tillman's premium top grain and split Cowhide for exceptional protection for the hand.
- An industry first, Tillman's Glide Patch™ offers a thick and cushioned 10 millimeters of high density foam that wraps half of the forearm.
- Glide Patch eases movement and provides protection from heat.
- A strip of leather that extends to the tip of the pinky that works as a heat shield.
- Breaks in the split Cowhide reinforcements to allow natural, unrestrictive movement and reducing hand fatigue.
- Fleece lined for added insulation in hot or cold conditions without the bulk.
- Designed to deliver an incredible feel and dexterity to the user right off the shelf.
- Keystone thumb for a great grip on the gun & tools.
- Hem of the cuff located at the center of the cuff to prevent getting snagged on a welding table.
- Sewn with Kevlar® thread to protect seams.

**Premium Cowhide. Outstanding Durability.
Exceptional Comfort.**
